ENTRY GATES

We have 3 gates - please choose the correct one depending on your ticket type.

PARK & STAY / (was called DRIVE-IN)

IF you have purchased a £40 park & stay permit in addition to entry tickets:

Please use the back gate as shown on the map. Do not leave your engine running whilst parked and remember to turn your lights off. If you are in a high vehicle you must park to the sides. **No BBQ's or naked flames allowed in the Park & Stay area. Be considerate please - no obstructions are allowed in your space that will affect the view of people behind you.**

PARK and WALK (free parking then a short walk)

Please use the main entrance gate as shown on the map. Park up and then walk across the walkway to the main arena area.

Bring your tickets with you as they will be scanned on foot as you walk through into the arena.

After the last show (closing show) please make your way back to your car. Please take your time, if it looks busy relax as it won't take long for everyone to leave. We have multiple exits and with limited numbers this shouldn't take long. It will take some time to exit the event - even the M6 has queues when it's down to one lane. Watch out for any traffic and bring a torch as the ground can be rough in places. **No BBQ's or naked flames allowed.**

GAZEBO PERMITS - **NOT WITH PARK & STAY**

Gazebo ticket holders please inform the staff as you arrive into the car park. Use GATE A
No BBQ's or naked flames allowed.

DISABLED PARKING BADGE HOLDERS

For park & walk disabled badge holders wishing to park in the disabled car park - please let the event staff know when entering the parking area and they will accommodate.

**PLEASE TAKE HOME YOUR RUBBISH
PLEASE BRING A BIN BAG**

FURTHER INFORMATION

Some further information that will help you and others have the best experience possible.

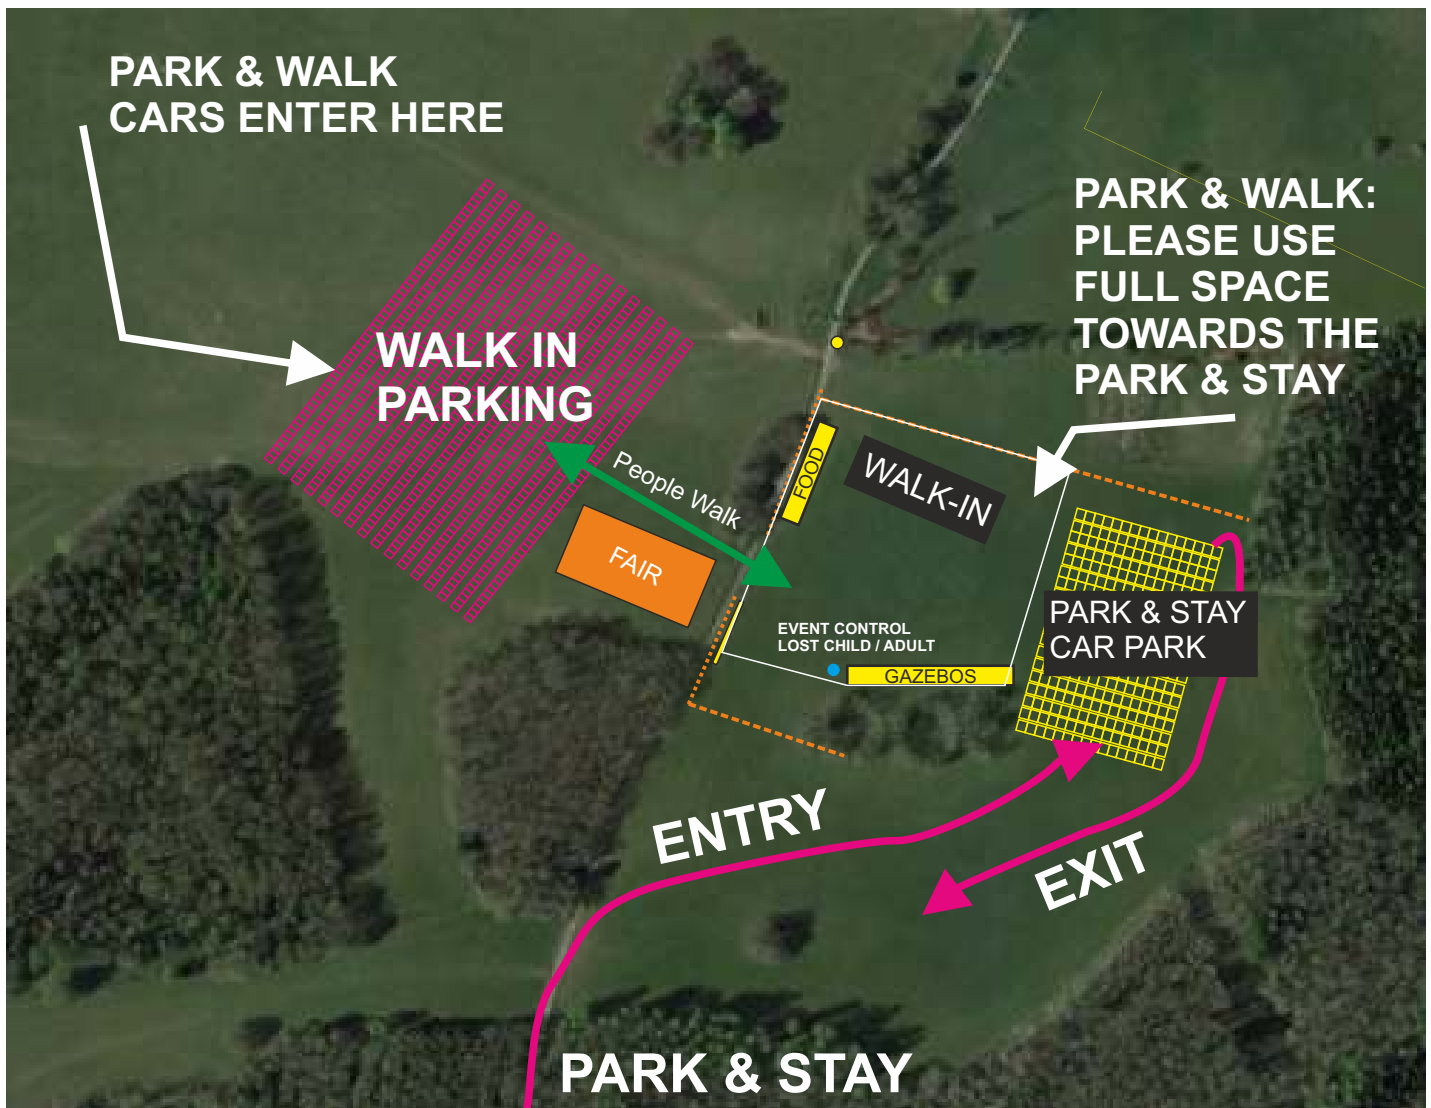

PARK & WALK

When you have parked up make your way to the event arena on foot. Once you get to the arena please ensure you use all of the space provided. In 2023 people didn't want far enough over towards Park & Stay which meant areas with PA coverage was unused.

PARK & STAY

Please do not turn on car engines whilst parked. Once the event is finished please wait your turn to drive away from your space. Cars will be asked to drive forward and to the right, turning back 180' towards the way you came into the event. You will exit the gate you entered.

GENERAL INSTRUCTIONS

*Please read very carefully
and plan your visit to the event
and whilst at the event*

LITTER

Please drop any litter in the bins on site in the audience field, or take it home with you.

Our litter picking team will have to collect rubbish you leave so please ensure you don't leave any. Bring a waste bag – pop it in and take it back home with you. You'll be doing us a massive favour and it will put a smile on the litter picking team who work so hard to clean up after each event. Please respect the venue by keeping it clean.

TEXT VOTING

After the 3rd display you can vote for your favourite by texting the following (cost is 1 standard text charge from your mobile):

SHOW 1	}	Remember the space after show
SHOW 2		
SHOW 3		

To: 88802

**PLEASE TAKE HOME YOUR RUBBISH
PLEASE BRING A BIN BAG**

**Please bring a torch
Ground can be uneven so walk with care**
