PARK & STAY permit holders

For our **PARK & STAY** guests please follow instructions to the next available marked out bay. Please switch off your car including the lights and make yourself comfortable in your bay. You can leave this bay to visit the facilities like toilets and concessions.

If you wish to park next to your family please arrive in convoy as you will be parked up in order as you arrive. If you have a high vehicle please park on the back row.

Please print your tickets where possible as they scan quicker. It is also helpful if you can supply them all the same way up for ease of finding the barcodes.

After the 4th and final firework display you may leave but we ask you not to start your engines until it's your turn to leave. We will leave by columns/rows to try and stop everyone rushing to the exit at the same time, so please follow instructions given out by our steward. Please be patient and respect the stewards. No Gazebos allowed in this area.

Walking from your car to the toilets/food: We have allowed a walkway between the front of your car and the boot of the next.

PARK & WALK

*Read if you only have entry tickets
Adults or Children, Gazebos.
(The previous way of doing things)*

Park and walk tickets (how it's always been)

For all 'walk in' guests you will be directed to a general car park area to park up and walk to the audience area. If you are disabled please tell a steward and they will direct you to the disabled car park. Please remember to have your tickets with you as these will be checked before you enter the arena.

GAZEBO PERMITS

Please tell the stewards you have a gazebo permit and you'll be instructed where to setup. You **MUST** use gate B if you have a gazebo. NOT for Park & Stay / Drive-in

CAMPING

*If you have camping permits (1 per adult)
you also need entry tickets for each
adult or child. NOT with drive-in.*

SATURDAY camping (arriving Sat, leaving Sun)

GENERAL INSTRUCTIONS

*Please read very carefully
and plan your visit to the event
and whilst at the event*

LITTER

Please drop any litter in the bins on site in the audience field, or take it home with you.

Our litter picking team will have to collect rubbish you leave so please ensure you don't leave any. Bring a waste bag – pop it in and take it back home with you. You'll be doing us a massive favour and it will put a smile on the litter picking team who work so hard to clean up after each event. Please respect the venue by keeping it clean.
