CHAMPIONS**

RAGLEY HALL
Sat 7th SEP 2019

SATURDAY 7th SEPTEMBER 2019

THE CONCEPT...

Three of the UK's best firework companies compete against each other with a 10 minute firework display perfectly choreographed to music. It is then up to you, the audience, to choose the winning display via standard rate text voting. Organisers, MLE Pyrotechnics, fire a larger closing display after the voting finishes. The results are then announced.

GATES OPEN...

4:00pm

Relax in the grounds & soak up the unique atmosphere. In the hours before the shows start you can choose a spot to setup your chairs, tables and food, relax and listen to the background music and interviews with the firework teams. There will also be a selection of food and drink available to buy from the vendors on site. If you're planning to bring the kids we have a selection of fairground rides for them.

DEMONSTRATION...

9:00pm

Enjoy a real time lesson in pyromusical choreography where we'll be firing various fireworks and discussing over the PA system how they work and where they are used.

DISPLAYS...

9:30pm

The three competing teams will each fire a 10 minute display set to music with a 5 minute interval between shows. Text voting opens once the last display has fired. 10 minutes later MLE Pyrotechnics will fire a closing display which is not subject to the rules and limits of the competitors. Results will be announced afterwards.

Timings are subject to slight variation. All entry to the event closes at 8:30pm for safety reasons.

THE LINEUP...

These teams are routinely performing displays all over the country. They are very skilled in what they do and use cutting edge firework effects and methods of firing. All displays are synchronised to the split second and fired using electronic firing technology. You can learn more about what they do on the night when we interview each of the companies taking part.
